

Preliminary Announcement June 2005

The **19th** International
Technical Conference
on the Enhanced Safety
of Vehicles (ESV)

U.S. Department of Transportation
National Highway Traffic Safety
Administration
400 7th Street, SW, Room 6206
Washington, D.C. 20590
U.S.A.

You are cordially invited...

to participate in the 19th International Technical Conference on the Enhanced Safety of Vehicles Conference (ESV) in Washington, D.C. the Nation's capital in June 2005.

From its celebrated symbols of patriotism to its undiscovered neighborhoods, the sites and sounds of the Nation's capital inspire millions of visitors every year.

A national capital rich in local history and an international metropolis with exciting diversity, Washington is more than just the political capital of the United States. It is also the home of the Smithsonian Institution, and as such is the cultural focus of America. Its many superb museums and galleries have something to offer everyone.

Also unique to Washington are its many monuments and memorials. The huge Washington Monument, honoring the first US president, dominates the city skyline.

The US Capitol is one of the world's best-known symbols of democracy. The President's official residence, the White House, always one of the most popular sights, attracts millions of visitors each year.

The Lincoln Memorial never fails to inspire, and the Jefferson Memorial, along the Tidal Basin, is the site of one of the most photographed scenes in Washington, the annual blooming of hundreds of cherry trees – a gift in the 1920's from the Japanese government.

The 19th ESV Conference will be held in June 2005 in beautiful, historic Washington, D.C. We look forward to your participation, and enjoyment of a city rich in culture and history.

Preliminary Announcement **June 2005**

Yes, I am interested in attending ESV '05.
